Fifth Sunday of Easter Reflection

Since time began writers, poet and singers have used the word love in so many different ways to get their work and message noticed, some when more success than others! And as is often the case, the more a we hear a word or use it, the less power it has. Words used properly can be very powerful and effective. In our gospel this Sunday, Jesus puts before each of us the great command; love one another, just as I love you. And this is more challenging and difficult than it sounds. We are not asked to simply like each other; we are to love each other as Jesus showed us. Although we are now celebrating the season of Easter, there is no harm in reminding ourselves the lengths Jesus went to so could he physically demonstrate his love for each of us. On Holy Thursday he got down on his knees to wash our feet. On Good Friday he was lifted up on the cross for us and on Easter Sunday he burst out of the tomb with the gift of new life. As followers of Jesus today, we are called not simply to believe in the resurrection, we are called to live it through the quality of our daily lives, through how we treat each other and speak to each other. Our actions will speak louder than our words. As John of the Cross reminds us, 'at the end of our lives, God will not judge us on our earthly possessions and our human achievements but on how much we have loved.'

In Christ,
Deacon Dean Dobbins

Quinto domingo de la reflexión de Pascua

Desde que los escritores comenzaron, los poetas y los cantantes han usado la palabra amor de muchas maneras diferentes para hacer notar su trabajo y su mensaje, ¡algunos son más exitosos que otros! Y como suele ser el caso, cuanto más oímos una palabra o la usamos, menos poder tiene. Las palabras usadas correctamente pueden ser muy poderosas y efectivas. En nuestro evangelio este domingo, Jesús pone ante cada uno de nosotros el gran mandamiento; Amamos los unos a los otros como yo os amo. Y esto es más desafiante y difícil de lo que parece. No se nos pide simplemente que nos gustemos; Debemos amarnos como Jesús nos mostró. Aunque ahora estamos celebrando el tiempo de la Pascua, no hay nada de malo en recordarnos lo mucho que Jesús hizo para que pudiera demostrar físicamente su amor por cada uno de nosotros. El Jueves Santo se arrodilló para lavarnos los pies. El Viernes Santo fue levantado en la cruz por nosotros y el Domingo de Pascua salió de la tumba con el regalo de una nueva vida. Como seguidores de Jesús hoy, estamos llamados a no simplemente a creer en la resurrección, estamos llamados a vivirla a través de la calidad de nuestras vidas diarias, a través de cómo nos tratamos unos a otros y nos hablamos unos a otros. Nuestras acciones hablarán más alto que nuestras palabras. Como nos recuerda Juan de la Cruz, "al final de nuestras vidas, Dios no nos juzgará por nuestras posesiones terrenales y nuestros logros humanos, sino por cuánto hemos amado".

**En Cristo,
Diácono Dean Dobbins**

Senkyèm Dimanch nan Refleksyon Pak la

Depi lè yo te kòmanse ekriyen, powèt ak mizisyen yo te itilize pawòl Bondye a nan anpil fason diferan jwenn travay yo ak mesaj remake, kèk lè plis siksè pase lòt moun! E kòm se souvan ka a, plis nan yon nou tande yon mo oswa itilize li, mwens pouvwa li gen. Mo yo itilize byen kapab trè pwisan ak efikas. Nan levanjil nou Dimanch sa a, Jezi mete devan nou chak kòmandman an gwo; renmen youn lòt, menm jan mwen renmen ou. Ak sa a se pi difisil ak difisil pase sa li son. Nou pa yo mande yo tou senpleman renmen youn ak lòt; nou dwe renmen youn lòt jan Jezi te montre nou. Malgre ke nou kounye a ap selebre sezon an nan Pak, pa gen okenn mal nan raple tèt nou longè yo Jezi te ale nan konsa li te kapab li fizikman demontre lanmou li pou chak nan nou. Nan Jedi Sen li te desann sou jenou li pou lave pye nou. Nan Vandredi Sen li te leve sou kwa a pou nou e nan Dimanch Pak li pete soti nan kavo a ak kado lavi nouvo. Antanke disip Jezi jodi a, yo rele nou pa senpleman pou kwè nan rezirèksyon an, nou aple pou viv li nan bon jan kalite lavi nou chak jou, nan fason nou trete youn ak lòt epi pale youn ak lòt. Aksyon nou yo ap pale pi fò pase pawòl nou yo. Jan Jan sou Lakwa a fè nou sonje, 'nan fen lavi nou, Bondye p ap jije nou sou byen terès nou yo ak sou reyalizasyon imen nou yo men sou kantite nou te renmen.'

**Nan Kris la,
Dyak Dean Dobbins**
